From the Principal's Desk

We have had a very busy and extremely productive week with the school review team here. It has been so valuable gaining insights from those in our school community to set our next goals for our upcoming strategic plan, with recommendations by the review panel.

Friday is World Principal's Day – always a lovely day of reflection on what has been achieved, the wonderful community I work within and reflection on the coming year. I just wanted to say thank you to each and every member of our community for making our school such a special place to work in and be a part of.

Athletics Day

Friday, we have our athletics carnival! It is always such a fantastic day – and a massive thank you for all the work Mrs Scammell has done behind the scenes to get the day ready.

Students have been working hard in PE lessons on the different sports they will compete in. Everyone can wear their house colours on the day. Families are more than welcome to stay and attend, help out and even participate if there is an adult vs senior student race (wear your runners just in case!)

Curriculum days

Last night School Council passed our final curriculum days for the year: Monday 7th September, Monday 2nd November and Friday 4th December. Please mark these in your calendars.

Special achievement

A couple of weeks ago, Sophie travelled to Melbourne to attend the 000 Junior Hero Awards, where she was recognised for her quick thinking and bravery after calling an ambulance in an emergency. As part of the experience, Sophie received a certificate and medal and even had the opportunity to meet the 000 call-taker who answered her call on the day. It was a very special and memorable experience, and Sophie shared that she felt incredibly proud of herself. Congratulations, Sophie, on this wonderful and well-deserved recognition. We are so proud of your courage and the calm, responsible way you responded when it mattered most.
